Following the model developed by:
*UNESCO - CEPES
*COUNCIL OF EUROPE
*EUROPEAN COMMISSION

This Diploma Supplement follows the model developed by the European Commission, Council of Europe and UNESCO/CEPES.

The purpose of the supplement is to provide sufficient independent data to improve the international "transparancy"and fair academic and profesional recognition of qualifications (diplomas, degrees, certificates, etc).
It is designed to provide a description of the nature, level, context, content and status of the studies the were pursued and successfully completed by the individual named on the original qualification to which this supplement is appended.

It should be free from any value judgements, equivalence statements or suggestions about recognition.

Extra long life paper.
Printed with high technology against counterfeiting and/or tampering.
